

WCE-FC football club website

INTRODUCTION :

This website is dedicated to football club of my college. A great club is in making , we have no history but, sure we are going to script itself and to preserve this, we need a website.

This website will basically include details of all our activities in college, What is our daily routine , tournament in which we have participated, trophies won, all our contributions to increase craze of football in our college.

Our team member who are now aluminies can also visit the websites to track us ,guide us ,interact with us.

FEATURES:

1. 'Contact us' section will consist of contact number or email of our club so that any suggestions can be concerned.
2. 'Achievement section' will consist of photos and details about our achievements .
3. 'feedback section' to give feedback.
4. 'Gallery section' will consist of all our memories.(photos and video)

MARKET SURVEY:

Top football club like Manchester united ,chelsia ,arsenal ,Liverpool have there own website to communicate with there audience as well as to show the activities of there club. They aslo have there photos as well as videos on there websites.
